

Parent Teacher Organization

August Meeting Agenda

1. **Budget Update**
2. **Spirit Socks**
3. **Wildcat Rock**
4. **BMX Impact- body, mind, action, sports, motivation:** Our 45-60 minute motivational, educational, and inspirational school assembly with ramps, professional speakers, and athletes start at \$850. *Title 1 discounts and less expensive options as low as \$650.
We offer three assemblies with a further focused message:
 - 1: SPOKES of CHARACTER: "SHOWTIME"
We grab students' attention and keep it while discussing important issues with a first-hand perspective. We call this our "showtime" assembly because every day is a student's chance to show the world what they are made of. We discuss the finer points of character and how all our goals depend on having strong character. Our Showtime Assembly can further focus on anti-bullying, physical fitness, and goal setting. Our show helps motivate students with positive role models and action sports.
 - 2: STEM PROGRAM: Physical Science "BMX in Motion"
We use BMX freestyle to explain Newton's Laws of Motion in a fun way. Physical science is brought to life with high flying stunts and intricate moves on ground. This exciting show brings Stunt Master Newton to life for 45 minutes of BMX stunts and education.
 - 3: BICYCLE SAFETY: "Ride like you're invisible"
Our Mega Fun Bicycle Safety Assembly is a great way instruct students on proper bicycle road rules, protective gear, bike maintenance, and safe routes to school. It starts by remaining defensive. "Ride like you're invisible" not invincible reminds students to make sure they are looking out for themselves.
5. **August 7th back to school for teachers and staff members breakfast and gifts**
6. **Back to School orientation and SchoolKids Supplies pick-up**
 - a. Documents and forms for orientation
 - b. Aug. 8th Pre-K and K from 5:30-7:00
