

Community Sponsor Opportunity Form
2017/2018 School Year

Osceola Elementary School (OES) PTO sponsors play an important role in supporting the work PTO does for children. When you work with PTO, your company demonstrates its commitment to improving the life and education of every child. Make a one-time, tax-deductible donation to the OES PTO, and in exchange for your donation, your company/business will be given publicity within the Osceola Wildcat community.

Wildcats Booster
