Approval of October minutes: Jose Caride- 1<sup>st</sup> Amber Noseworthy – 2<sup>nd</sup>

Five Star School Award Project Implementation: Amber and Linda spoke about the project. No current news.

Title One update/Principal Comments/AVID Update: Joy explained that there will be no hurricane make up days. Chick-Fil-A Spirit night was a success. Spirit days and character count weeks were a lot of fun for students and successful. Fire Safety Week for K-3 students was an enjoyable experience and students learned a lot. Our school has adopted another CCC program, Being a Reader, and we hosted the monthly ILC meeting for the county to show our new program and instruction. Amanda Bergamasco has been providing PD for our teachers and students to better use the AVID program.

Khan Academy Presentation by Mr. Tax: Khan Academy is a common core math website that students in his class use daily and can use from home for individualized practice. It hits all standards and helps students to gain mastery in the standards. He has found it extremely motivating for his students. Parents are encouraged to make accounts to help students and themselves better understand the standards.

Meeting called to close: 5:46- Ellen Marks -1<sup>st</sup> and Jose Caride – 2<sup>nd</sup>
