Dear Parent/Guardian,

The Florida Assessment of Student Thinking (FAST) is a progress monitoring system that is administered three times per year to track your student's progress in learning the Benchmarks for Excellent Student Thinking (B.E.S.T.) Standards throughout this school year. The purpose of this letter is to inform you that your student will take the computer-based **Grade 4 or 5 Benchmarks for Excellent Student Thinking (B.E.S.T.) Writing assessment between March 31-April 4, 2025**. The B.E.S.T. Writing assessment is administered in one 120-minute session, and students may work up to half of a typical school day. Your school will provide information about how to access the test results.

Beginning with the 2023–24 school year, Writing will be administered during each spring administration. Writing scores will be reported separately from Reading; they will not contribute to an overall ELA score. Writing will be computer-based in all assessed grades, and prompts will be in response to texts.

For more information on the test design, please visit <https://www.fldoe.org/accountability/assessments/k-12-student-assessment/best/>. If you or your student would like to interact with the online testing platform or review FAST Writing sample items at home, sample test items and released tests at certain grades/subjects are available at <https://flfast.org/families.html>.

Please review the following policies with your student before testing:

- **Electronic Devices**—Students are not permitted to have any electronic devices, including, but not limited to, cell phones, smartphones, smart glasses, and smartwatches, at any time during testing **or** during breaks (e.g., restroom), **even if the devices are turned off or students do not use them**. If your student is found with an electronic device or is found using Bluetooth/wireless headphones/earbuds during testing, his or her test will be invalidated.
- **Calculator Policy**—For Grades 7–8 FAST Mathematics assessments, approved handheld scientific calculators may be used. For Grade 6 FAST Mathematics, a handheld four-function calculator may be used. Calculator use is prohibited for Grades 3–5 FAST Mathematics.
- **Testing Rules Acknowledgment**—All tests include a Testing Rules Acknowledgment that reads: “I understand the testing rules that were just read to me. If I do not follow these rules, my test score may be invalidated.” Prior to testing, test administrators read the rules to students, and students acknowledge that they understand the testing rules by clicking the box in the secure browser indicating they understand the testing rules.
- **Discussing Test Content after Testing**—The last portion of the testing rules read to students before they click the box to accept the Testing Rules Acknowledgment states that because the content of all statewide assessments is secure, students may not discuss or reveal details about the test content (including test items and passages) after the test. This includes any type of electronic communication, such as texting, emailing, or posting to social media sites. Please make sure your student understands this policy prior to testing and remind them that “discussing” test content includes any kind of electronic communication, such as texting, emailing, posting to social media, or sharing online. **While students may not share information about secure test content after testing, this policy is not intended to prevent students from discussing their testing experiences with their parents/families.**
- **Working Independently**—Students are responsible for doing their own work during the test and for protecting their answers from being seen by others. If students are caught cheating during testing, their tests will be invalidated.

“Better Never Quits”

- **Leaving Campus**—If your student leaves campus before completing a test (e.g., for lunch, an appointment), he or she **will not** be allowed to return to that test. If your student does not feel well on the day of testing, it may be best for him or her to wait and be tested on a make-up day. Please remember not to schedule appointments on testing days.
- **Testing Accommodations**—If your student has an Individual Education Plan (IEP), a Section 504 Plan, or is an English Language Learner (ELL) or a recently exited ELL, please contact the school to discuss the testing accommodations that will be provided for your student.
- **Testing Irregularities**—In the event a testing irregularity occurs in your student’s testing room, as part of a school investigation, your student may be asked questions to provide clarification of the incident. In addition, your student may be required to retake the assessment if a suspected irregularity is reported that may affect the validity of the test results.

If you have any questions related to this test administration, you may contact Elizabeth Purtil at 904-547-3783 or elizabeth.purtill@stjohns.k12.fl.us

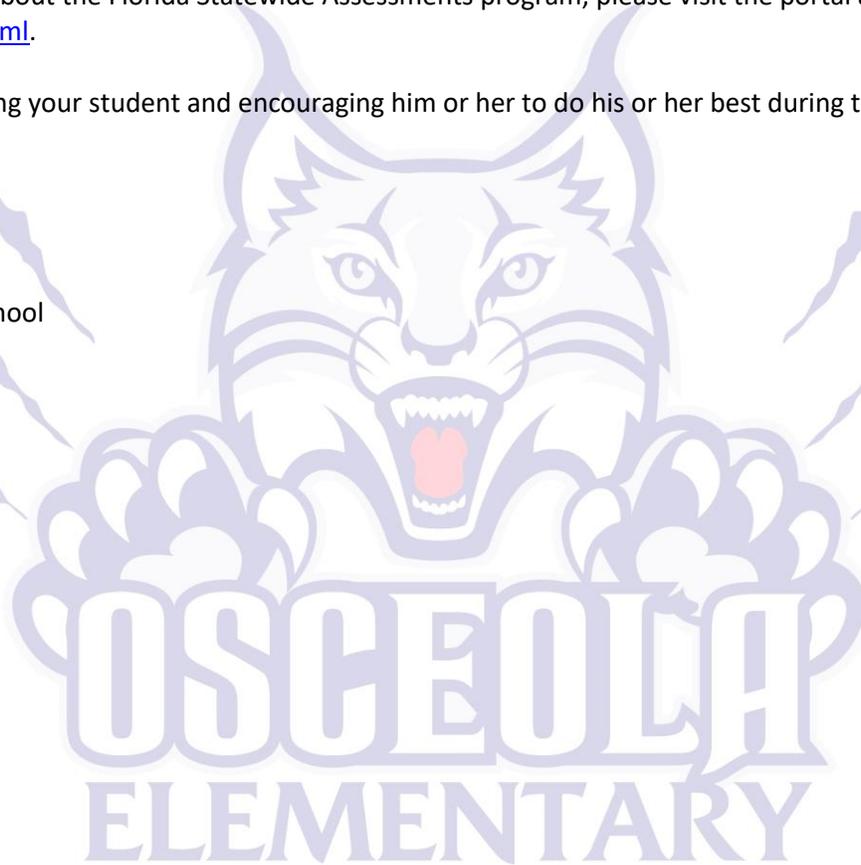

For more information about the Florida Statewide Assessments program, please visit the portal at <https://flfast.org/fsa.html>.

Thank you for supporting your student and encouraging him or her to do his or her best during this test administration.

Sincerely,

Jessica Mead, Principal

Osceola Elementary School
