SPirit NIGHT! Feb. 17th  **McDonald's 4-8pm by the Epic theater**

Greetings Wildcat Families!

Can you believe we are already in the third nine weeks? The year is flying by, and I am so glad to see our students, teachers, and family members working so diligently to ensure academic success is achieved. Not only are our students experiencing gains in the classroom, but we just finished up celebrating literacy week. Thanks to the leadership and organization of Cynthia Smeland, literacy coach, and Kellie Blanco, media specialist, our students have enjoyed a stimulating literacy week. Drop Everything and Read, a "Reading is Key" presentation, and dress up days are just few of the ways our children were entrenched in literacy last month.

As we continue through the month of February, we will be focusing on the red Character Counts! pillar of Caring. If you get a few moments this month, take some time with your children to discuss what it means to be caring and how it can be displayed in the school environment, our community and at home. We look forward to recognizing, at the end of the month, students who go above and beyond to display a caring disposition to others in their classroom.

Finally, please remember we are working diligently to keep our students, families, teachers and staff safe in the midst of a global pandemic. Please review the health screener prior to school each day and do not send your child to school if you have any concerns regarding their health. Finally, please be sure to remind them about the importance of using good hand washing techniques.

As we enjoy the rest of the year together, I want to thank you so much for all you do for our school and children. We look forward to continuing to work with you as we all invest in our kids!

Sincerely,
Rebecca Keffer
