Wear **Blue** for Trustworthiness

We have many jackets and sweaters in the Lost & Found without names on them. Please help us by labeling all your student's belongings as well as asking your student to stop by the Lost & Found to check and see if any of these items belong to them.

Attendance & Tardies

Attendance is extremely important for students to be successful at our school. It is also important that students arrive at school on time, and ready to learn! Parents are encouraged to utilize school bus transportation. Daily drop off begins at 8:00am. If your child arrives after 8:25am, you will need to come inside the school to sign them in.

Absences from School

If your child is absent from school, a parent/guardian must turn in a written signed note or a doctor's note within 48 hours for the absence to be considered excused, upon the students return to school. **Phone calls will not be accepted.** We appreciate your support.

They also moved the capacity for indoor events to 100% from 75% beginning March 28, 2022.

Teachers in our school are participating in a research study conducted by Florida State University to better understand how a professional learning program for teachers called Cognitively Guided Instruction impacts mathematics teaching and learning. You have the right to have your child's information withheld from the study if you do not wish to participate. Please review the parental notification letter here for more information about the study.
